

Are eco worthy batteries any good

They are "sister companies" and I'd expect the batteries to be exactly the same quality. I asked a DCHouse rep about the low temp cutoff being at 7c rather than 0c - I asked if ...

Interesting... The top of the battery "case" is not air tight so any gasses leaking from the internal cells should not have bulged to top. Are there any odd smells from the battery? ...

Are eco worthy batteries any good
