

# Free electric charging station map

Out of more than 82,000 charging devices on Zapmap, we found that - as of May 2025 - 1,837 were free to use. Put another way, that's around 2% of all EV charging points that won't incur a cost. So where are they all? Well, ...

A smart mix: take advantage of free opportunities when they arise, install a home charger for daily use, and rely on a solid network like Electra to never get stuck. At Electra, we're building this ...
